

INHEALTH
TECHNOLOGIES®

Day&Night™ HME

ANNOUNCING

Day&Night™ HME. It's our newest innovation that you can wear comfortably all day and all night - including at bedtime.

Switch and Join the InHealth Family

Love the simplicity. Love the innovation.

- Offered in two breathability choices for your comfort and activity level, ClassicFlow® or EasyFlow®.
- Beautifully translucent and non-reflective for a natural look.
- An inventive HME cartridge and updated function.
- Specially designed to attach to the entire family of InHealth baseplates, tubes and buttons.

TOTAL
Solution

Simplicity at your door step

Order your samples of Day&Night™ HME and SpeakFree® HME today.

Day&Night™ HME

SpeakFree® HME

InHealth Technologies® offers a **TOTAL Solution** for your total laryngectomy from pre- to post-op and beyond.

The TOTAL Solution is more than products and innovation. At the center are the people of InHealth Technologies – leading clinical specialists, experienced patient consultants and caring customer service members who put patients first.
